What is the “Jeanne Clery” Disclosure Act?

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, codified at 20 USC 1092 (f) as a part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to disclose certain timely and annual information about campus crime and security policies. All public and private post secondary educational institutions participating in federal student aid programs are required to comply with it. The law, originally enacted by Congress in 1990 as the Campus Security Act, was initiated by Howard and Connie Clery after their daughter Jeanne was tragically murdered at Lehigh University in 1986. Amendments to the Act in 1998 renamed it in memory of Jeanne Clery.

The Clery Act requires colleges and universities to publish an annual report every year by October 1st that contains 3 years of crime statistics and certain policy statements including sexual assault policies which assure basic victims’ rights, the law enforcement authority of campus police, and where the students should go to report crimes. The complete text of the Clery Act and the U.S. Department of Education regulations are available on the Security On Campus, Inc. web site at <http://www.campussafety.org/>

The Sonoma County Junior College District Police Department is responsible for gathering crime statistics and providing safety information to all students, staff, faculty, visitors, and prospective students and employees of the District.

The annual security report for Santa Rosa Junior College and the entire Sonoma County Junior College District includes statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings or property owned or controlled by the Sonoma County Junior College District, and on public property within, or immediately adjacent to and accessible from the campus. In accordance with mandated reporting requirements, information concerning the monitoring and recording of any criminal activity in which students have engaged, at off campus locations and/or within student organizations that are officially recognized by the District, are gathered from local police agencies. These agencies include any City, County, State, or Federal agencies that may have relevant information and the statistics are published in this disclosure. The report also includes institutional policies concerning campus safety and security, such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault and other matters.

The District Police Department is aware that crimes may go unreported to law enforcement and encourages employees of the District, who have significant responsibility for students and student activities, to report any crimes that they may have become aware of in their daily contact with students to the District Police. Employees such as, Administrators, Deans, Directors, Department Heads, Faculty Advisors, Student Academic Advisors, Student Activities Advisors, Coordinators, Athletic Coaches are encouraged to report any crime to District Police. Classroom faculty (except for Advisors), Physicians, Psychologists, and most Clerical Staff are examples of employees who are not required to report under the Clery Act. All reports to the District Police can be made confidentially and anonymously in accordance with the reporting person’s wishes. Crime prevention and personal safety information are available in the District Police Department and on the Police Department web site at: www.santarosa.edu/police, in Student Health Services, and in various student and staff publications throughout the District.

Policy for Reporting the Annual Disclosure of Crime Statistics

The District Police Department prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our website at <http://www.santarosa.edu/administration/college-safety/district-police/crime-on-campus.shtml> . This report is a collaborative and comprehensive effort that includes the cooperation of law enforcement agencies surrounding SRJC campuses, centers, off-site facilities and properties, the Student Services Division, and the Office of the Vice President of Student Services. Each entity provides crime statistics and/or information on their educational efforts and programs to comply with the Act.

To comply with the Act, we collect crime statistics from law enforcement agencies with concurrent law enforcement jurisdiction or jurisdiction surrounding Sonoma County Junior College District campuses, centers, off-site facilities, and properties owned or utilized by the District for college business, to include public property immediately adjacent to campuses and facilities. These law enforcement agencies provide crime statistics they have collected for crimes occurring on District properties or a radius around the properties requested. These statistics may include crimes that have occurred in private businesses and residences and is not required by law. The District does not have any off or on campus fraternity or sorority houses. Likewise, student organization recognition does not extend beyond the college, and student organizations are not recognized to engage in activity off-campus. Every paid part-time, full-time, adjunct, and short-term non-continuing student, faculty, and classified employee receive a notice with their paycheck/notice of deposit, that informs them of the security report, a description of the contents, information regarding the availability of the report on the Internet, the electronic address to access the report, and a statement on how to obtain a paper copy, if desired.

Employees and students also receive this same information when completing the application process for admission or employment in person or via the Internet. Additionally, notices regarding the existence of the Security Report, a brief description of its contents, information regarding the availability of the report on the Internet with the electronic address to access the report, and a statement on how to obtain a paper copy, if desired are included in the *Insider*, *BearFacts*, Schedule of Classes, the Course Catalog and on the Admissions & Records, Enrollment Development and Human Resources websites. Copies of the report may also be obtained at the Sonoma County Junior College District Police Department located in the Pedroncelli Center on the Santa Rosa Campus at 2032 Armory Drive Santa Rosa, CA 95401 or by calling Police Records at 707-527-4963 or Police Administration at 707-524-1820.

Legal Options

Any person who has been sexually assaulted has several legal options: criminal prosecution against the assailant; and/or civil prosecution against the assailant; and/or the College District disciplinary procedure if the assailant is an employee or student.

Criminal Prosecution

Notification or reporting to the police agency having jurisdiction over the location where the crime or attempted crime occurred begins the criminal prosecution. If the crime occurs off campus or District properties, the District Police Department can facilitate contact for the sexual assault survivor with the appropriate law enforcement agency and/or provide information as to how to contact them. All law enforcement agencies have trained police officers who will facilitate medical and counseling services, referrals, evidence collection and information. Survivors will be interviewed at a location of their choice and will be allowed or offered an advocate(s) to accompany you during all aspects of the investigation. Under California law, a sexual assault survivor's name and any identifying information can't be released without the survivor's written consent. *The protection of the survivor's name and any identifying information will be of the highest priority.*

A survivor's decision to prosecute does not necessarily have to be made during initial contact with officers and the survivor's decision determines officers' subsequent investigation protocol. Police Officers have legal authority to arrest the assailant as appropriate and to forward the case to the District Attorney's Office for criminal prosecution upon completion of the investigation. District Police will also help ensure the survivor of sexual assault has an advocate from the court, the department, community agencies, and/or friends or family of their choosing to support them through the criminal prosecution process if the survivor decides to prosecute the assailant.

Civil Prosecution

Survivors of sexual assault can consult an attorney about initiating a suit in civil court against their assailant for damages. The purpose of a civil suit is to compensate the survivor for the wrong done to them. A civil action can be brought against the assailant regardless of the decision to criminally prosecute.

If You Become the Victim of a Sexual Assault

- ◆ Get to a safe place.
- ◆ Notify the police agency having jurisdiction of the location where the crime or attempted crime occurred.
- ◆ Seek medical attention whether or not you intend to notify the police, even if you have not been seriously physically injured. A medical examination is important to check for sexually transmitted diseases, other infections, injuries, and pregnancy.
- ◆ Help preserve evidence. Physical evidence is paramount in helping to prosecute assailants. Evidence generally must be collected within 72 hours of the assault and only by a certified medical facility upon the request of a law enforcement agency. To preserve evidence after an attack, you should not change your clothes, bathe, shower, or take any other personal hygiene action before contacting police. If it becomes absolutely necessary that you change your clothes, each item should be packaged separately in a paper bag. If oral contact took place, do not brush your teeth, use mouthwash or smoke. Do not straighten up the crime scene.

Sexual Assault Prevention

The District Police Department works closely with Student Health Services and Student Psychological Services in providing joint seminars, classroom presentations, educational pamphlets, and sexual assault and rape prevention information to our educational community. Free date rape and acquaintance rape prevention information and educational pamphlets are also available in the District Police Department and Student Health Services. The Student Affairs office and Student Health Services annually sponsor “Sexual Health Awareness Week” which features resource tables and dynamic speakers that provide information on a myriad of topics to include date and acquaintance rape. The District Police Department also provides prevention information for new employee and faculty orientations, student information days, and student employee orientations in order to inform students and employees of available police services and programs. If you need any information on prevention programs please contact the District Police Department at 707 527-4922.

Public Information about Registered Sex Offenders on Campus

Information about certain designated persons required to register in California as sex offenders is available to students, staff, faculty, and the public by viewing the California Department of Justice's Internet web site at <http://www.meganslaw.ca.gov/>. There are additional sex offenders in California that are not included on this site, but are known to law enforcement. Detailed personal profile information on individual registrants may be obtained by using a sex offender's specific name, Zip Code, or City/County listings. Additionally, the map application may be used to search individual neighborhoods throughout California to determine the specific location of any of those registrants on whom the law allows the Department of Justice to display a home address. The Internet web site does not list sex offender information specifically by a college or university name or zip code where a sex offender may work, attend, reside, or volunteer.

The Sonoma County Junior College District may have persons enrolled, employed, residing, carrying on a vocation, transient or volunteering on District facilities who have been convicted of certain sex crimes that require them to register their status as a sex offender in the State of California with the law enforcement agency having jurisdiction over where they reside. Additionally, some of these individuals may be required to register as sex offenders with the Sonoma County Junior College District Police Department. In limited circumstances and in compliance with Federal and State law, Sonoma County Law Enforcement Protocols, and District policies, the District Police may disclose the identity of a sex offender to the District community and/or to specified individuals within the District.

For further crime prevention and public information about registered sex offenders on campus, within Sonoma County, or laws regarding sex offender registration, please visit our police department web site at <http://www.santarosa.edu/administration/college-safety/district-police/sex-offender-registration.shtml> or call the District Police Department at 707-527-4922

Law Enforcement Authority

The District Police Department is a full-service, fully certified, police agency within the State of California staffed by sworn peace officers 24 hours a day, 7 days a week, every day of the year. The District Police Department is not a branch of any other law enforcement agency.

The Police Officers are vested with law enforcement powers pursuant to California Penal Code Section 830.32(a) and California Education Code Section 72330, have police authority throughout the state, and primary law enforcement jurisdiction for all crimes occurring on District properties. Police officers have full powers of arrest, enforce local, state and federal laws both on and off campus, and as full peace officers, their police authority includes concurrent law enforcement jurisdiction on adjacent streets and in the communities surrounding District properties. The District Police Department also complies with the Kristin Smart Campus Safety Act by maintaining formal operational agreements with law enforcement agencies sharing concurrent law enforcement jurisdiction to ensure prompt law enforcement response and collaboration in incidents requiring inter-agency cooperation. Police Officers employed by the District meet all training requirements as mandated by the California Commission on Peace Officer Standards and Training and actually are mandated to have more training than county or municipal law enforcement officers. Each Police Officer has graduated from a regional police academy, completed a rigorous field training program, and must complete a probationary period. Additionally, each police officer is updated in training throughout the year to include firearms, defensive tactics, first aid/CPR, and legal updates.

Officers also receive many hours of specialized training to include crime prevention, sexual assault investigation, emergency preparedness and response, evidence collection, domestic violence response, and more and attend countywide and statewide police planning and training meetings and conferences. All officers also receive specific training designed to meet the diverse needs of the educational community. Law enforcement duties and responsibilities of police officers are identical to municipal police departments or sheriff departments in your home community.

Facility Access and Security

The District Police Department provides 24-hour law enforcement protection of College District buildings, property, parking lots, and facilities utilized by the District. Officers investigate crimes, respond to burglary and robbery alarms, to suspicious persons and incidents, and provide responses to police, medical, and fire incidents. Campus and District facilities are generally open to the campus community, visitors and guests Monday - Friday from 7 a.m. to 11p.m., Saturday and Sunday from 8 a.m. to 5 p.m., and during other hours as certain special events dictate. Campus shrubbery, trees and other vegetation are routinely trimmed and artificial lighting maintained with safety issues in mind.

The campus community is encouraged to report unsafe conditions, safety concerns, or exterior lighting issues to Facilities Operations at 527-4231, Environmental Health & Safety at 527-4803, or to District Police at 527-1000.

Daily Log Access

The District Police Department maintains a daily log of officer activity and calls for police service for the most recent 60-day period. The log is open for public inspection during normal business hours of 8:00 a.m. - 5:00 p.m., Monday – Friday. Log entries older than 60 days can be obtained by request within 2 business days. Additionally, the District Police include a log on our web site at <http://www.santarosa.edu/administration/college-safety/district-police/crime-on-campus.shtml> with summary information about crimes and reports taken by the District Police.

“Timely Warning” Crime Alert Bulletins

The District Police Department believes that a well-informed community is an integral component in maintaining the safest campuses and facilities possible. It is the policy of District to have the Police Chief, and/or designee, confer as necessary and applicable with administrators, legal counsel, and surrounding law enforcement agencies, after a violent crime occurs or a crime that is deemed by the Chief of Police and/or designee to represent a continuing threat to students, staff, faculty, or visitors and disseminate “timely warning” crime alert information within 24 to 48 hours. Bulletins also include prevention information to assist members of our educational community from becoming a victim of a similar crime.

Reporting Crimes and Emergencies

Criminal activity and other emergencies that occur on campus should be reported to the District Police Department immediately. District police officers respond to all on-campus reports of fire, police, or medical emergencies.

The District Police Department has primary law enforcement jurisdiction for all criminal incidents that occur on campuses and District facilities. This includes incident investigation, follow-up, and resolution. If you are off-campus and are uncertain of the police jurisdiction you are in, your emergency call will be properly routed by dialing 911. For non-emergency information, contact any Sonoma County police agency and the dispatcher will refer you to the agency with primary jurisdiction over your incident.

Emergencies On-Campus: For all police, fire, and medical emergencies **call (707) 527-1000** from any phone on campus and advise the dispatcher that your call is an emergency as we only have one number for both emergency and non-emergency calls. District Police Officers will be dispatched to all crimes in progress and other emergencies along with appropriate fire and medical personnel as necessary.

Emergency Call Boxes and Direct-Dial Phones: Emergency call boxes are located throughout the Santa Rosa, Petaluma and Windsor campuses. These boxes enable anyone to contact Police Dispatch 24 hours a day, 7 days a week for in-progress crimes, fire and medical emergencies by merely pushing a button. A camera will show the area surrounding the call box as well as give the person direct audio contact with Police Dispatch. These call boxes do not provide access to general telephone services.

There are several direct-dial telephones located in building elevators throughout the campus, which ring directly into Police Dispatch. These auto-dialing phones may be used to summon emergency police, fire, or medical assistance.

Non-emergencies On-Campus: The non-emergency, business telephone number to reach the District Police Department is also the emergency number: 527-1000. Please be advised that dispatchers must answer all calls and that you may be put on hold if you do not have an emergency.

Emergencies Non-Campus Facilities and Off-Campus: The non-campus facilities and off-campus emergency telephone number in Sonoma County is “**9-1-1.**” Use this number for community-based fire, police, and medical services. The call is free from all payphones. When dialing 9-1-1 from a cellular telephone, you will be connected to the California Highway Patrol Dispatch Center or the closest police department within your location. Be prepared to provide dispatchers with the county, city, and specific location where emergency response is needed.

Sonoma County Junior College District complies with the Drug Free Workplace Act of 1990 and the Higher Education Act Section 120a.

Santa Rosa Junior College is committed to achieving a drug and alcohol free environment for students and employees.

The Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989 require that, as a condition of receiving funds or financial assistance under any Federal program, SRJC must create and maintain a drug-free environment and implement a program to prevent the unlawful possession, use, or distribution of drugs, and the abuse of alcohol, by its students and employees.

In addition to being a violation of Federal and State laws, the possession and/or use of alcohol, the unlawful manufacture, distribution, dispensing, possession or use of illegal controlled substances on SRJC campuses, off-campus centers, workplace site of employees, or at any District-sponsored event is prohibited. No one may use illegal substances, or abuse legal substances, including alcohol, in a manner which impairs performance of assigned tasks. Violators of this prohibition are subject to criminal prosecution and/or disciplinary action, including reprimand, probation, suspension or expulsion, and/or termination from employment. PURPOSE AND SCOPE

This section describes District procedures for preventing and responding to intimidation, disruptions, threats, or acts of violence involving any member of the District community (faculty, staff or students). It also provides information regarding personal safety and response to such conduct that is directed toward a member of the District community by unaffiliated visitors.

An individual may be excluded from District properties or events for certain reasons, including intimidation, disruptions, threats, or acts of violence. Faculty, staff, or students may be suspended or placed on leave under applicable District policies. Members of the District community and individuals not directly connected with the college (e.g., a spouse, former spouse, contractor, visitor) may also be excluded pursuant to a "notice of withdrawal of consent" as set forth in California Penal Code sections 626.4, 626.6, or by a court-issued restraining order. Many forms of intimidation, disruptions, threats, or acts of violence are prohibited under criminal or civil law. When appropriate, the District will refer cases for civil action or criminal prosecution. In the event of a state of emergency declared by the Superintendent/President, individuals may be prohibited from entering District facilities pursuant to the District Emergency Preparedness Plan.

Department chairpersons, managers, and supervisors are responsible for formulating and implementing the District's response to intimidation, disruption, threats, or acts of violence. All employees are responsible for reporting such behavior pursuant to the established procedures, and to a workplace violence response team member (see below). Students are strongly encouraged to report such behavior.

The District offers assistance to department chairpersons, managers, supervisors, and other members of the college community through various resources such as the Employee Crisis Assistance Team (ECAT) and The Crisis Intervention Resource Team (CIRT). These teams coordinate investigations of incidents, manage reports of ongoing or reoccurring problems, assist victims, recommend appropriate intervention and/or disciplinary action, and develop strategies for promoting safety and preventing high-risk situations from escalating into emergencies.

DISCRIMINATION COMPLAINT PROCEDURES

REVIEWED: MAY 9, 1995
REVIEWED: NOVEMBER 11, 1997
REVISED: MARCH 13, 2001
REVISED: DECEMBER 10, 2002
REVISED: JUNE 10, 2008
REVISED: MAY 10, 2011

This procedure for the filing and processing of allegations of unlawful discrimination and sexual harassment is adopted to implement the requirements of Title 5 of the California Code of Regulations, sections 59300 et seq. (and other laws that prohibit unlawful discrimination) which requires all California Community College districts to ensure that their programs and activities are free from unlawful discrimination, to investigate complaints of unlawful discrimination in its programs and activities, and to try to resolve those complaints.

The Sonoma County Junior College District has identified the Vice President of Human Resources to the Chancellor of the California Community Colleges (State Chancellor) and to the public as the single District officer responsible for receiving unlawful discrimination complaints filed pursuant to this procedure and for coordinating their investigation. The actual investigation of complaints may be assigned to other staff or to outside persons or organizations under contract with the District. Such delegation procedures will be used whenever the Vice President of Human Resources is named in the complaint or is implicated by the allegations in the complaint.

Administrators, faculty members, other District employees, and students should direct all complaints of unlawful discrimination to the Vice President of Human Resources.

Cal. Code Regs., Title 5, § 59324, 34 C.F.R. § 106.8

CONFIDENTIALITY OF THE PROCESS

The District recognizes that confidentiality is important to all parties involved in an alleged unlawful discrimination complaint investigation. To the extent possible, the confidentiality of the complainant, respondent and witnesses will be protected. Employees and/or students interviewed in accordance with these procedures shall assist in maintaining such confidentiality.

Investigative processes can best be conducted within a confidential climate, and the District does not reveal information about such matters except as necessary to fulfill its legal obligations. However, potential complainants are sometimes reluctant to pursue a complaint if their names will be revealed.

The inability to reveal the name of a complainant or facts that are likely to reveal the identity of the complainant can severely limit the ability of the District to respond. Complainants must also recognize that persons who are accused of wrongdoing have a right to present their side of the matter, and this right may be jeopardized if the District is prohibited from revealing the name of the complainant or facts that are likely to disclose the identity of the complainant.

If a complainant insists that his or her name not be revealed, the Vice President of Human Resources shall take all reasonable steps to investigate and respond to the complaint consistent with the complainant's request as long as doing so does not jeopardize the rights of other students or employees.

It is also important that complainants and witnesses understand the possibility that they may be charged with allegations of defamation if they circulate the charges outside of the District's process. In general, persons who are participating in a District investigative or disciplinary process that is related to a charge of discrimination are protected from tort claims such as defamation. However, persons who make allegations outside of these processes or who discuss their claims with persons outside of the process may expose themselves to tort charges. Complainants, witnesses, and those accused of discrimination will all be asked to sign a confidentiality acknowledgement statement.

Where an investigation results in recommendations of disciplinary action, the complainant may wish to have information about what disciplinary actions the District took. However, the privacy rights of the persons involved often prevent the District from providing such information. Disciplinary actions taken against employees are generally considered confidential. In student disciplinary actions for sexual assault/physical abuse charges, the victim shall be informed of the final results of the disciplinary proceeding, but the victim must keep the information confidential. Further disclosure of the final results of student disciplinary proceedings may be made in accordance with applicable law.

FILING A COMPLAINT

An individual who believes he/she has been unlawfully discriminated against or sexually harassed in violation of District policy in any program or activity of the District that is funded directly by, or that receives any financial assistance from, the State Chancellor or Board of Governors of the California Community Colleges or an individual who learns of such alleged discrimination or harassment in his or her official capacity as a faculty member or District administrator may file a complaint with the Vice President of Human Resources.

A representative of his/her choice may accompany the complainant and the respondent at any stage of these proceedings. Any expense of such representative is the sole obligation of the individual who requests the participation of a representative.

Cal. Code Regs., Title 5, §59328.

TIMELINES

The District recognizes that it is in the best interest of all parties that persons who allege that improper conduct occurred seek resolution of their concerns as soon as possible to allow necessary reviews to occur expeditiously. Formal written complaints must be complete and filed in a timely manner. (See "Investigation Upon Filing of a Formal Complaint" below for filing details, including filing deadlines.) It is the District's intent that all complaints be resolved as quickly as possible consistent with the requirements for a thorough investigation.

Cal. Code Regs., Title 5, § 59328.

INFORMAL/FORMAL COMPLAINT PROCESS

Persons who feel comfortable doing so may attempt to address conduct that may violate the District's nondiscrimination policy on their own. For example, they may inform (either verbally or in writing) the individual perceived as engaging in unlawful discriminatory conduct that such behavior is offensive and must stop. However, no individual is required to attempt to resolve offensive conduct on their own and no direct communication with the individual whose conduct is offensive is required. If an individual chooses not to directly communicate with the individual whose conduct is offensive, or if such communication is unsuccessful, he/she should bring the complaint to the Vice President of Human Resources who will explain both informal and formal options for addressing the issue and the individual's rights and responsibilities under both options.

The purpose of an informal resolution process is to allow an individual who believes he/she has been unlawfully discriminated against or sexually harassed to resolve the issue through a mediation process rather than through a formal complaint process. The informal resolution process may be an effective process when there may be a simple misunderstanding or when an individual does not wish to file a formal complaint. For example, such a process may resolve problems that require only clarification or where a problem can be resolved fairly easily, such as with an apology and an assurance that the offensive conduct will stop. The individual who selects informal resolution will be asked to sign the District's Informal Proceeding verification form.

When a person brings charges of unlawful discrimination to the Vice President of Human Resources, the Vice President will:

- (1) Undertake efforts to informally resolve the charges;
- (2) Advise the complainant that he or she need not participate in informal resolution;
- (3) Notify the person bringing the charges of his or her right to file a formal complaint and explain the procedure for filing a formal complaint;
- (4) Assure the complainant that he or she will not be required to confront, or work out problems with, the person accused of unlawful discrimination.
- (5) Advise students a complaint may be filed with the Office for Civil Rights of the U.S. Department of Education (OCR – <http://www.ed.gov/about/offices/list/ocr>) where such complaint is within that agency's jurisdiction; and,

U.S. Department of Education
Old Federal Building
50 United Nations Plaza, Room 239
San Francisco, CA 94102-4102
(415) 437-7700

- (6) If the complaint is employment-related, advise the complainant that complaint may be filed with the Department of Fair Employment and Housing (DFEH – <http://www.dfeh.ca.gov>) and/or the U.S. Equal Employment Opportunity Commission (EEOC – <http://www.eeoc.gov>) where such complaint is within the agency's jurisdiction.

The Vice President of Human Resources cannot offer advice regarding the processes that will be followed by the EEOC, DFEH, or OCR. Persons should contact those agencies directly with any questions about their jurisdiction or their processes.

Efforts at informal resolution need not include any investigation unless the Vice President of Human Resources determines that an investigation is warranted by the seriousness of the charges.

Efforts at informal resolution may continue after the filing of a formal written complaint, but informal resolution efforts do not extend the time limitations for filing a formal complaint. After a complaint is filed an investigation is required to be conducted and will be completed unless the matter is informally resolved and the complainant dismisses the complaint. If a complainant chooses informal resolution or dismisses a formal complaint prior to completion of the process, the Vice President of Human Resources may require a complete investigation if warranted by the seriousness of the allegations. Any efforts at informal resolution after the filing of a written complaint will not exceed the ninety-day period for rendering the administrative determination.

In employment related cases, if the complainant files with the Department of Fair Employment and Housing, a copy of that filing will be sent to the State Chancellor's Office requesting a determination of whether a further investigation under Title 5 is required. Unless the State Chancellor's Office determines that a separate investigation is required, the District will discontinue its investigation under Title 5 and the matter will be resolved through the Department of Fair Employment and Housing.

Cal. Code Regs., Title 5, §§ 59327, 59328, 59334, 59336 and 59339.

FILING OF FORMAL WRITTEN COMPLAINT

If a complainant decides to file a formal written unlawful discrimination complaint with the District, he or she will file the complaint on a form prescribed by the State Chancellor. These approved forms are available from the District and also at the Chancellor's Office website listed below:

<http://extranet.cccco.edu/Divisions/Legal/Discrimination.aspx>

The completed form is to be filed with the Vice President of Human Resources or mailed directly to the State Chancellor's Office.

INVESTIGATION UPON FILING OF A FORMAL WRITTEN COMPLAINT

When a formal written complaint is filed it will be reviewed to determine if the complaint meets the following requirements:

- (1) The complaint must be filed on a form prescribed by the State Chancellor's Office.
- (2) The complaint must allege unlawful discrimination prohibited under Cal. Code Regs., tit. 5, § 59300.
- (3) The complaint must be filed by one who alleges that he or she has personally suffered unlawful discrimination or by one who has learned of such unlawful discrimination in his or her official capacity as a faculty member or administrator.
- (4) In any complaint not involving employment, the complaint must be filed within one year of the date of the alleged unlawful discrimination or within one year of the date on which the complainant knew or should have known of the facts underlying the allegation of unlawful discrimination.
- (5) In any complaint alleging discrimination in employment, the complaint shall be filed within 180 days of the date the alleged unlawful discrimination occurred, except that this period will be extended by no more than 90 days following the expiration of that 180 days if the complainant first obtained knowledge of the facts of the alleged violation after the expiration of 180 days.

If a complaint is defective it will be immediately returned to the complainant with a complete explanation of why an investigation could not be initiated under this process. The notice shall specify in what way(s) the complaint is defective, and a copy of the notice to the complainant will be sent to the State Chancellor's Office.

Cal. Code Regs., Title 5, §§ 59328, 59332.

Once a complaint is determined to be a valid complaint under this process, the individual(s) accused of engaging in prohibited discriminatory conduct shall be advised of the filing and the general nature of the complaint. This will occur as soon as possible and as appropriate under the circumstances. The District will also advise the accused that an assessment of the accuracy of the allegations has not yet been made, that the complaint will be investigated, that the accused will be provided an opportunity to present his/her side of the matter, and that any conduct that could be viewed as retaliatory against the complainant or any witnesses must be avoided.

Cal. Code Regs., Title 5, 59334.

RETALIATION

If an individual believes he/she has been subject to retaliation for filing a complaint or asserting the right to be free from discrimination prohibited by District Policy 2.7, the individual may file an additional complaint with the Vice President of Human Resources. The Vice President of Human Resources shall investigate the claim of retaliation in accordance with these procedures.

If the Vice President of Human Resources determines that the complaint of retaliation is valid, in addition to any other remedies which may be appropriate (such as disciplinary action), the Vice President of Human Resources shall take all necessary steps to end the retaliatory behavior as quickly as possible including providing counseling to the person engaging in the retaliatory conduct.

INVESTIGATIVE REPORT AND ADMINISTRATIVE DETERMINATION

The Vice President of Human Resources reviews the formal complaint, conducts an impartial fact finding investigation of the complaint, and recommends corrective action on behalf of the District. Corrective action involving a recommendation for staff or student disciplinary action shall be referred to the appropriate vice president for further action. To the extent possible, all unlawful discrimination or sexual harassment complaints filed under this process shall be investigated within a maximum of ninety (90) days of receipt. If circumstances beyond the control of the District prevent the completion of an investigation within 90 days, the Vice President of Human Resources will notify the State Chancellor and the complainant. (See "Extensions" section below for complete information.) Upon completion of the investigation, the Vice President of Human Resources will forward a copy of the investigative report to the State Chancellor.

The investigative report shall include at least all of the following:

- (1) A description of the circumstances giving rise to the complaint.
- (2) A summary of witness testimony.
- (3) An analysis of relevant data.
- (4) A finding as to whether probable cause exists to believe that discrimination in violation of District policy occurred with respect to each complaint allegation.

Upon completion of the investigation, a summary of the investigative report shall be forwarded to the complainant

Cal. Code Regs., Title 5, § 59334.

The District's administrative determination shall also be sent to the State Chancellor and the complainant, and shall set forth all of the following:

- (1) The determination of the District's Superintendent/President or his/her designee as to whether there is probable cause to believe that discrimination in violation of District policy occurred with respect to each complaint allegation.
- (2) A description of actions taken, if any, to prevent similar problems from occurring in the future.
- (3) The proposed resolution to the complaint.
- (4) The complainant's right to appeal to the District's Board of Trustees and to the State Chancellor.

Cal. Code Regs., Title 5, § 59336.

COMPLAINANT'S APPEAL RIGHTS

Complainants have appeal rights that they may exercise if they are not satisfied with the results of the District's administrative determination. At the time the administrative determination and the summary of the investigative report is mailed to the complainant the District will notify the complainant of his or her appeal rights as follows:

- (1) First level of appeal: the complainant has the right to file an appeal to the District's Board of Trustees within 15 days from the date of the administrative determination. The Board of Trustees will review the original complaint, the investigative report, the administrative determination, and the appeal.

The District's Board of Trustees will issue a final District decision in the matter within 45 days after receiving the appeal. Or, the Board of Trustees may elect to take no action within 45 days, in which case the administrative determination will be deemed to be affirmed and shall become the final District decision in the matter. A copy of the final decision rendered by the Board will be forwarded to the complainant and to the State Chancellor's Office.

- (2) Second level of appeal: the complainant has the right to file an appeal with the California Community College Chancellor's Office in any case not involving employment related discrimination within 30 days from the date that the Board of Trustees issues the final District decision or permits the administrative determination to become final by taking no action within 45 days.

The complainant's appeal to the State Chancellor must be accompanied either by a copy of the Board of Trustees' decision or by evidence showing the date the complainant filed an appeal with the Board of Trustees and a statement signed under penalty of perjury that the complainant received no response from the Board of Trustees within 45 days from that date.

Complainants must submit all appeals in writing.

Cal. Code Regs., Title 5, §§ 59338 and 59339.

If a person chooses to pursue a complaint under this policy, he/she has not waived the right to file a complaint with the Equal Employment Opportunity Commission, Department of Fair Employment and Housing, the Office for Civil Rights or the appropriate bargaining agent, and has not waived the right to pursue the matter in a court of law.

FORWARD TO STATE CHANCELLOR

Within 150 days of receiving a complaint that does not involve employment discrimination, the District will forward the following to the State Chancellor:

- (1) A copy of the final District decision rendered by the Board of Trustees or a statement indicating the date on which the administrative determination became final as a result of taking no action on the appeal within 45 days.
- (2) A copy of the notice of appeal rights the District sent the complainant.
- (3) Any other information the State Chancellor may require.

Cal. Code Regs., Title 5, §§ 59338 and 59340.

EXTENSIONS

If for reasons beyond its control, the District is unable to comply with the 90-day or 150-day deadlines specified above for submission of materials to the complainant and the State Chancellor's Office, the District will file a written request that the Chancellor grant an extension of the deadline. The request will be submitted no later than 10 days prior to the expiration of the deadlines for completing investigations or for reaching a final District decision as established by Title 5 in sections 59336 and/or 59340 and will set forth the reasons for the request and the date by which the District expects to be able to submit the required materials.

A copy of the request for an extension will be sent to the complainant who may file written objections with the State Chancellor within five (5) days of receipt.

The State Chancellor may grant the request unless delay would be prejudicial to the investigation. If the State Chancellor grants an extension of the 90-day deadline the 150-day deadline is automatically extended by an equal amount.

Cal. Code Regs., Title 5, § 59342.

NOTICE, TRAINING AND EDUCATION FOR STUDENTS AND EMPLOYEES

The Vice President of Human Resources or designee is responsible for providing information and/or training to employees and students on the District's unlawful discrimination and sexual harassment policy and procedures.

Every nonsupervisory District employee will receive information related to nondiscrimination and a copy of the unlawful discrimination and sexual harassment policies and procedures during the first year of their employment. New supervisory employees shall receive training regarding the District's nondiscrimination policy, including training in sexual harassment prevention within six months of assuming their supervisory positions. All supervisory employees will receive such training at least once every two years. In years in which a substantive policy or procedural change has occurred all District employees will attend a training update and/or receive a copy of the revised policies and procedures.

A copy of the District's written policy on unlawful discrimination and sexual harassment, as it pertains to students, will be provided as part of any orientation program conducted for new students at the beginning of each semester or summer session, as applicable. A training program will be made available to continuing students as often as practical. Such informational services shall ensure that students have information on where to obtain rules and procedures for reporting allegations of discrimination and sexual harassment and how to file a District complaint or pursue available remedies.

A copy of the District's written policies on unlawful discrimination and sexual harassment will be displayed in a prominent place in the main administration building, Bailey Hall, and other areas where notices regarding the, and other areas where notices regarding the District's rules, regulations, procedures, and standards of conduct are posted, and shall appear in any District publications that set forth the comprehensive rules, regulations, procedures, and standards of conduct for the District.

FRATERNIZATION IN THE WORKPLACE

ADOPT: DECEMBER 12, 1995 REVIEWED: MARCH 13, 2001

REVISED: MAY 13, 2008

REVISED: JUNE 14, 2011

REVISED: JANUARY 10, 2012

Sonoma County Junior College District (SCJCD) is committed to fostering the development of learning and working environments characterized by professional and ethical behavior. The District seeks to eliminate conflicts of interest, potential coercion by individuals who have authority over other individuals, sexual harassment, and unfair favoritism in the educational and working environment.

Romantic relationships between District employees, including instructors, administrators, and staff where one employee supervises, evaluates, or otherwise exercises employment related authority over the other employee are prohibited. Romantic relationships between District employees and students are also prohibited if the employee exercises any academic or employment authority over the student in an instructional or working environment.

Those who teach, counsel, administer programs, and supervise employees and students are in a position of trust and power. This trust is jeopardized by actual or perceived conflicts of interest, coercion, or favoritism. In the event of potential or actual romantic involvement, SCJCD will assist such persons to find other teaching or supervisory assignments.

In offering such assistance SCJCD will be guided by the following principles: non-gender bias, power neutrality, and non-status bias. When feasible, academic or employment assignments/reassignments will be made to minimize concerns and reasonable efforts at such assignments/reassignments will be attempted prior to disciplinary intervention.

All employees should keep in mind that initial consent to a romantic relationship does not preclude a charge of sexual harassment in the future.

Employee and Student Complaint and Grievance Process

In the event a student or employee needs to file a complaint and/or grievance, the District has provided a guide that is formalized in District policy 4.14 as printed below:

Emergency Preparedness

It's the practice of the Sonoma County Junior College District to maintain an all-hazard emergency preparedness plan in compliance with the California Standardized Emergency Management System (SEMS) following the requirements of the National Incident Management System (NIMS) using the nationally recognized Incident Command System (ICS) and in cooperation with Emergency Management Office of the Sonoma County Fire and Emergency Services Department. The emergency preparedness plan includes:

1. A written Emergency Operations Plan (EOP) complete with specific response annexes for all hazard types including but not limited to natural, technological, or artificial threats;
2. Organization and maintenance of centrally cached disaster supplies;
3. Emergency Preparedness training to update and educate staff and faculty as to emergency response responsibilities to meet NIMS, SEMS and ICS requirements; and,
4. Emergency Preparedness Committee meeting at least four times a year.

The Chancellor of the California Community Colleges has established emergency preparedness standards and guidelines to assist community college districts and campuses in the event of an emergency or disaster.

The standards and guidelines were developed in accordance with the Standardized Emergency Management System and the National Incident Management System. In developing the standards and guidelines, the Chancellor's Office considered, but was not limited to, all of the components listed in California Education Code Section 71095. The Sonoma County Junior College District recognizes their responsibility to develop a response plan for incidents, emergencies and all hazard events. Therefore, the Sonoma County Junior College District has developed an Emergency Operations Plan that meets the NIMS and SEMS preparedness standards and guidelines to meet its response and mitigation needs in the event of a natural disaster, hazardous incident, criminal or terrorist activity on or around the District properties.

The Emergency Operations Plan has been developed in accordance with the existing described systems and shall be reviewed annually for effectiveness and consistency with existing California Emergency Management Agency (CA EMA) policy. Periodic review will also be sought from Sonoma County Junior College District Self Insurance, ASCIP, and the County of Sonoma Office of Emergency Services (OES) Sonoma County Fire and Emergency Services Department's Emergency Management Office. The Sonoma County Junior College District may provide a copy of its Emergency Operations Plan and/or appropriate response annexes when requested by appropriate regional law enforcement agencies, city emergency management offices and fire departments as a reference tool to assist the District during emergency situations.

A redacted copy of the Emergency Plan excluding security access codes, personnel contact information and restricted response plans will be made available for employees of the District for review.

The redacted Emergency Operations Plan for the District is available in the following locations:

- District Police Department – Santa Rosa and Petaluma
- Superintendent/Vice President Office

Emergency Response Plan

The Superintendent/President shall establish procedures that ensure that the District implements a program or plan to be activated in the event of an emergency, or when a natural disaster or hazardous condition occurs. This program or plan must comply with the National Incident Management System (NIMS), the Standardized Emergency Management System (SEMS) and should incorporate the functions and principles of the Incident Command System (ICS), the Master Mutual Aid Agreement (MMAA) and any other relevant programs. The program must incorporate NIMS and SEMS to facilitate the coordination between and among agencies in the event of an emergency or natural disaster.

Compliance with NIMS and SEMS mandates include:

- Establishing a disaster preparedness program or Emergency Operations Plan
- Completion of training sessions by District personnel in compliance with NIMS and SEMS guidelines

Training requirements vary based on job titles and/or assigned roles defined within the Emergency Operations Plan. District personnel must be informed that as public employees, they are also Disaster Service Workers during declared national, state, local, and campus emergencies. Responses to incidents, emergencies or disasters are organized using SEMS and its five sections: management, operations, planning/intelligence, and finance/administration. The plan should contain information regarding activation and chain of command responsibilities. Compliance with NIMS mandates requires planning and incorporation for all phases of emergency management including mitigation and prevention, preparedness, response, and recovery. The District must ensure that its plan is reviewed yearly.

Emergency Notification

Immediate Emergency Response: The Santa Rosa campus is protected by its own P.O.S.T certified, armed police department. The Department operates 24 hour/7 day a week and is supported by its own 24 hour/7 day a week P.O.S.T certified dispatch center. The police department is part of a county wide public safety consortium consisting of adjoining law enforcement agencies, fire and medical response teams using paramedic level teams. Interoperability between the public safety agencies is provided by multi-channel radios in each patrol vehicle along with Mobile Data Computer terminals with GPS mapping and instant cross jurisdictional alert bulletin capability. This communication is further extended through the use of an interconnected Computer Aided Dispatch system that monitors and catalogs all incidents, calls for service and written reports.

The Sonoma County Junior College District utilizes the cell phone text messaging Nixle and Alert-U systems which allow staff, faculty, students, parents and anyone interested in receiving such emergency notifications to enroll their cell phone on a notification list. Other methods of communication between the district include mass e-mails, network computer “pop ups” and bulletins posted around campus and on District websites.

Evacuation Procedures: The Santa Rosa campus has established the following notification procedures as listed on page 8 of the 2008/2009 Emergency Preparedness Handbook to use in the event of an evacuation. Some of these methods are audible building alarms (tested by Facility Operations on a yearly basis), outdoor loud speakers mounted on emergency telephone kiosks strategically placed about the campus, mobile display signs, patrol car public address speakers, hand held bull horns and a text message Alert-U system which included email address for wide public dissemination of announcements through the existing college computer network.

The college District publishes an Emergency Preparedness Handbook every two years which is posted in every classroom, office and assembly area. It contains emergency guidelines, resources lists, specific emergency response procedures, medical and first aid information, staff responsibilities, explanation of the District’s emergency operations center and evacuation maps showing assembly areas.

The District provides on-going SEMS, NIMS, and ICS trainings for all staff and faculty who may play a response role in any incident, emergency or event in which an emergency response is required. Evacuations are initiated by each campus and supported by representatives from local fire department to evaluate the process. Each year, the District’s Emergency Management Coordinator tests the District campuses by holding either an emergency operations center or department operations center table top, work shop, exercise or a functional exercise with specific agencies such as fire or in the case of the Race Medical Center, participates a countywide coordinated exercise involving alternate medical care sites between hospitals.

These same procedures hold true for the Petaluma Campus, Public Safety Training Center, SRJC Culinary Arts Center, South West Center and the SRJC’s Shone Farm.
